Hello, my name is ________________ [INTERVIEWER NAME]. May I please speak with [LEASEHOLDER NAME]?

[TO THE LEASEHOLDER:]

Hello, my name is ________________ [INTERVIEWER NAME]. I am from NORC, a National Organization for Research at the University of Chicago.

You are being asked to be part of a survey about the CHA’s relocation project. People need to move out of their homes while their buildings are repaired or replaced. The MacArthur Foundation and the Chicago Housing Authority want to make sure that you are getting the help you need and that your rights as a leaseholder are respected.

We are asking all leaseholders who are relocating this year to complete the survey. The survey will take about 30 minutes. It is completely up to you to decide whether you want to do the survey. Whether or not you decide to participate, you will not lose any rights or services you are entitled to.

If you decide to participate, your answers will let us know if you are satisfied with how you are being treated during this time. Your answers may also be used to improve relocations that are planned for the future. During the survey, you may skip any question you do not want to answer and you may stop the interview at any time.

We will keep the information you give us private. The CHA will not be able to link your name with any answers you give. Any reports released on this survey will summarize the findings, without giving names or other information that would identify the respondents.

If you have any questions about this study or about the relocation project, please call our toll-free number, 1-866-264-8222. You can find this number in our brochure.
