Master's-origins of U.S. Research Doctorate Recipients: 2000-2009

These tables provide counts of doctorate recipients from each master's-origin institution and are broken down by broad field of doctorate study, sex, citizenship status, and race/ethnicity for 2009; the listings of MA-origin institutions are provided in alphabetical order within the respective state or country of the MA-origin institution – ranks based on the counts are also provided. Also included are tables of the counts of doctorate recipients for each year from 2000-2009 from each U.S. master's-origin institution sorted by Carnegie class of the MA-origin institutions, and of the counts of doctorate recipients for each year from 2000-2009 from each non-U.S. master's-origin institution. The 2000-2009 data are provided in alphabetical order of the MA-origin institutions; ranks based on the counts are also provided.

Microsoft Excel CD: \$160

Bound Paper Copy + CD: \$180

I certify that the data are to be used for statistical purposes only and that no attempt will be made to identify individuals from the tabulations.
