Foresight 50+ Omnibus is a high-quality, cost-effective solution for quick-turnaround surveys of Americans 50 and over. Omnibus clients receive survey results from 1,000 50+ adults within two weeks of submitting the questions. By combining your questions with those of other clients in our monthly survey, you save on costs while obtaining the benefits of a high-quality probability sample.

Foresight 50+ Omnibus provides quick-turnaround survey results to help you:
- **Support** public affairs and public release projects
- **Gauge** older Americans’ opinions on policy issues, current events, and trends
- **Test** messaging, new product concepts, and advertising campaigns
- **Measure** awareness of brands, programs, and initiatives
- **Track** consumer sentiment about products and services

Foresight 50+ Omnibus is a nationally representative sample of U.S. adults 50 and older and draws from the Foresight 50+ Panel by AARP and NORC at the University of Chicago. Households are selected randomly from NORC’s National Sample Frame, representative of 97% of U.S. households.

Foresight 50+ uses U.S. mail notifications, NORC telephone interviewers, and in-person field interviewers to recruit panel households. We follow up multiple times with non-respondents to ensure a panel that represents all segments of America’s diverse and evolving 50+ population. Because of this rigorous recruitment, Foresight 50+ surveys achieve the highest response rates of any multi-client research panel.
Pricing
A minimum of three survey question units* are required for Foresight 50+ Omnibus participation.

*A unit is a simple, straightforward, closed-ended question such as yes/no, or a checklist of up to 10 response categories, or grid questions using a rating scale with up to four attribute statements.

Deliverables
- One standard demographic banner table: age, gender, education, race/ethnicity, HH income
- Data file (Excel, SPSS, or SAS) including weights and Foresight 50+ Omnibus profile variables

Custom deliverables at additional cost:
- Custom banner table: $350
- Additional profile variable: $300
- Open-ended coding: $1,500
- Topline report, PowerPoint tables (Contact us for pricing)

Survey Schedule
Foresight 50+ Omnibus surveys typically follow a 10-day schedule:
- **3 p.m. ET on third Monday of the month**
  - Final questionnaire provided to Foresight 50+ team
- **Friday to Monday**
  - Survey in the field
- **The next Friday**
  - Deliverables provided to client

Profile Variables
at no additional cost
- Gender*
- Age (2 categories: 50-64 and 65+)*
- Education (4 categories)*
- Education (14 categories)
- Race/ethnicity*
- Household size
- Housing type
- Ownership of living quarters
- Household income (18 categories)*
- Marital status
- Internet access
- Metropolitan statistical area status
- Region (U.S. Census: 9 categories)
- State
- Household members, age 0-1
- Household members, age 2-5
- Household members, age 6-12
- Household members, age 13-17
- Household members, age 18+
- Employment status
- Survey start (date/time)
- Survey end (date/time)
- Survey duration (minutes)
- Survey mode (online/phone)
- Device type (used to take survey)

More profile variables available for an additional cost
