AHRQ Safety Program for Telemedicine: Improving Antibiotic Use

Join the program!

Join a NO COST, federally sponsored program to implement cutting-edge best practices in antibiotic stewardship in telemedicine.

Benefits of participating

- Improve provider efficiency and patient satisfaction with antibiotic prescribing
- Lead the field in performance on antibiotic stewardship
- Perform better on antibiotic-related quality measures (HEDIS, MIPS)
- Earn CEU/CME and ABIM MOC points
- Practices participating in a prior similar program saw a 9% decrease in antibiotic prescribing overall and a 15% decrease for acute respiratory infections.\(^2\)

One-third of outpatient antibiotic prescriptions and half of the prescriptions for acute respiratory infections are unnecessary.\(^1\)
