NORC AT THE UNIVERSITY OF CHICAGO

Dear Child Care Provider,

We need your help! You are among a special group of early care and education (ECE) classroom staff who participated in the National Survey of Early Care and Education (NSECE) in 2024. We are asking you to help us by completing another short survey.

Your participation in the 2024 NSECE provided valuable information about individuals who work in center-based ECE classrooms. We are now building on that information to answer questions about who continues to work in ECE, who leaves ECE to work in other fields, and how to improve the experiences of individuals working in ECE. You are able to participate even if you are no longer caring for children. **To thank you for your continued participation, you will receive a \$20 token of appreciation for completing the questionnaire.**

Please complete the online questionnaire at **StaffUpdate25.norc.org** or scan the QR code with your phone to access the website.

To access your questionnaire, you will need to enter your unique PIN: [PIN]

NORC at the University of Chicago is conducting this study on behalf of the Administration for Children and Families, of the U.S. Department of Health and Human Services. Participation is voluntary. The questionnaire will take about 20 minutes, and your responses will be kept private. You have the option to skip any question or end the questionnaire at any time. If you have questions or need help to get started, please call **1-800-487-4609** or email **nsece24prov@norc.org**.

We need your help to make this study a success!

Thank you,

A. Rupa Datta, Ph.D.
2024 NSECE Follow-up Project Director
